

Distribution Exploration

- 1) Roll the die/dice 100 times
- 2) Tabulate the results
- 3) Create a bar graph

1 die						2 dice					
1	2	3	4	5	6	1	2	3	4	5	6
						1					
						2					
						3					
						4					
						5					
						6
